UKS 3602

Technische Daten	
Gross capacity, total [l]	352
Dimensions [cm]	H/W/D: 159,0/60/60
Net depth [cm]	44.1
Net width of interior compartment	51.3
Net height [cm]	141.8
Energy consumption in 24h [kWh]	1,6
Cooling system, refrigerator	dynamic
Defrosting, refrigerator	automatic
Temperature range refrigerator	0°C bis +15°C
Housing material	steel
Colour	white
Door/lid material	Glazed door
Material of interior containers	Plastic white
Type of control	Mechanic control
Temperature display, refrigerator	external digital
Storage shelves, refrigerator	6
of which is/are adjustable	5
Storage shelf material, refrigerator	grid shelves plastics
Load capacity storage shelf,	50
Height of adjustable feet [cm]	-
lock	available
Self-closing door	No
Door hinges	right interchangeable
Gross weight [kg]	78
Net weight [kg]	73
Climate class	SN
Refrigerant	R 600a
connection rating [W]	1,2 A / 170
Voltage [V]	220-240

Datum per 28.01.2008

EAN-Nr.: 9005382044391
